■ Compulsory requirement
 ■ If designated with specific function
 ■ Radio operator on non GMDSS ship needs to hold a certificate. Training records must now be kept by all crew if they wish to be claim dispensation from the 5 yearly refresher on safety training etc but may not require a record book in all cases

Recommendation to Owners / Managers / Operators

- In order to assist Owner/Manager/Operators to ensure that vessel are in compliance, to the requirements of the crew to be on ship board according to the Safe Manning Certificate issued by the Flag.
- The PMS surveyors will checking during periodical surveys all the competencies certificates for the crew order to help PMS vessel to avoid detention. Moreover, this Guidance table of competence requirements could be also used by Masters and/or Crew departments to the management companies for the vessels before joining of the crew on board.

ACT NOW

To the Owners of vessels / Managers / Operators.

This publication aims to assist ships as required of the competency requirements to be on shipboard in order to avoid possible any deficiencies of the safe manning requirements on board.

According to the safe manning certificate of the vessel as mentioned on the below table.

Thanks on kind cooperation with us.

Kind Regards,
